Summer Training for the College Athlete

Video/lactates/group training
M/W/F: 9am, East Metro, Cost: \$99

“The SISU summer program is remarkably versatile. They make it possible to find a schedule and combination of intensity levels that work for you. The SISU summer program attracts some of the best skiers in the metro area, and working out with them all summer pushed me to a new level. And the SISU trainers really know alot about skiing.”

– SISU Junior program participant
